

# Missions Assessment

How was your church practicing these components of mission before COVID-19? How about during? What should your practice be after the pandemic has subsided? What should you continue doing? What could you stop, start, or refine that would help your church become more biblically missional?

<b>ENTRY</b> <i>entering and engaging</i> the lives and communities of people who are far from God; people we know and people we don't know				
<b>EVANGELISM</b> <i>gospeling</i> people through words, works and wonders; leading them to faith in Christ				
<b>DISCIPLESHIP</b> <i>discipling</i> the fruit; equipping new believers for transformed lives as they learn to follow Jesus
